CHAPTER 1

INTRODUCTION

The paper project will be prepared and make the presentation at the end of the semester. The project must be based on the lecture of this course and it is individual assignment. By departmental policy, the discovery of plagiarism (i.e., copying from another student's project or other sources, including AI-generated writing) will result in a severe reduction of the relevant student's marks.

Font size 12 (Time New Roman). Line Spacing 1.5 line.
